Re: Bobby Gless

Dear Brothers:

Bobby Gless has accepted an assignment as International Aviation Safety Action Program (ASAP) Coordinator. Additionally, he will have responsibility for, and oversight of, the Qualifications Administration Manual (QAM) process.

Bobby will continue to serve as the Maintenance and Related (M&R) System Board Member and will continue to furnish case captions. Additional assignments, if any, will be generated by the Director and/or the AA System Coordinator.

Upon completion of the transition, Bobby will work out of the New York office effective Monday, December 11, 2006. Future questions regarding application or interpretation of the agreement(s) should be directed to the Hurst office.

Sincerely,

Gary Yingst
