Brothers and Sisters,

The company has recently announced that they plan on issuing bonuses to members of management. We expect that the bonuses will be in line with the excessive bonuses doled out in 2006.

As a result of these bonuses the Executive Board of Local 562 has decided to suspend all participation in any future PLI, JLT, or PFS meetings. This will be in effect until February 7, 2007. On that date President John Iuliano will meet with senior members of American Airlines management to decide what, if any incentives our members will receive for their continued sacrifice under the current concessionary contract. After the results of the February 7th meeting are presented to the Board, the Board will decide any future course of action.

The Officers, Chairmen and Stewards of Local 562 will continue to meet with management in areas that pertain to enforcing our rights under the current contract. The Executive Board of Local 562 is committed to protecting your rights and we will continue to act in the best interests of the membership we serve.

Fraternally,
The Executive Board of Local 562
