Brothers and Sisters,

---

On April 18<sup>th</sup> the local will hold an informational picket across from American Airlines terminal #9 protesting the executive bonuses that will be paid to top levels of management. Once again the executives for the 2<sup>nd</sup> year in a row are being rewarded for “performance” on the efforts and sacrifices of the rank and file (frontline) who saved the corporation from the brink of financial ruin and avoided bankruptcy to keep the airline in business.

To be clear for those who will attend the pickets do not do so on company time. The hours that are posted were selected to allow as many employees to attend whether it’s before or after your scheduled tour of duty. The appropriate signs and literature will be provided. All American Airlines labor groups are welcomed.

“We all have shared the pain” “Now its time to share the gain!!”

Fraternally,

John Iuliano  
President
