RE: Recent Comments

Dear Brothers & Sisters:

I have been a proud and loyal member of the TWU since 1981. I have held many posts during my career, each posing its own set of challenges, some more daunting than others. Throughout, I have done my very best to provide quality representation at every level.

It has never been, nor will it ever be, my intention to impact our members' strategic position in a less than positive manner through my deeds or comments.

As humans we are not infallible and, at times, regret the things we say. Unfortunately, I cannot unscramble eggs, so to speak, and sincerely apologize for any discomfort or adversity my recent comments may have caused.

Sincerely and fraternally,

John M. Conley
