Brothers & Sisters:

This communiqué is for the purpose of clarification. There has been some confusion as to the latest developments with the joint negotiating committee which represents title 3-fleet service clerks, title 5-stores department, simulator technicians and instructors. In an effort to obtain an agreement the joint group will enter in an eight day bargaining session with the company on December 1st and end on December 8th. At the end of the eighth day, if no agreement is reached, both sides would jointly file for mediation. **Just to be very clear the M&R negotiating committee is in separate negotiations and will not be part of the bargaining session with the joint negotiating group.**

Instead, the M&R committee will meet internally this week on October 21st thru October 23rd and explore our options and discuss strategies in order to secure a contract for our membership.

Fraternally,
John Iuliano
