RE: ATD Assignments

Dear Brothers:

Please note that Bobby Gless will assume the responsibility as AA System Coordinator effective October 29, 2008. As you remember, he has previously held the Assistant Coordinator post and is more than capable. He will also take a more active role working with Dennis, Tim, Don and Tony in the TWU/AA negotiation process.

Bobby's new assignment will not negate or diminish his role as Assistant Director. International Vice President Dennis Burchette will focus his efforts toward the Title V and Tech Spec Committees, as well as support the various components associated with the daily operation.

All AA Staff assigned will work directly with Bobby regarding assignments, protocols and structure. He will call, convene and chair all AA Presidents Councils and assist the team to enhance service quality.

Please extend your support to both Bobby and Dennis in their new roles.

Fraternally,

John M. Conley
Director Air Transport Division
