**Re: ~~Your Letter Dated September 6, 2008 Regarding Negotiations~~**

Dear John:

I am quite aware of the frustration our Negotiating Committee, ATD Staff and our members have with the negotiating process and that is no surprise. In my discussion with the APA and APFA leadership, they share the same frustration and, therefore, we decided to re-strengthen our alliances moving forward; as it is quite obvious we are in this for the long haul.

The question of our overall negotiating strategy should be discussed in person which we can arrange at your convenience and not in the form of a letter.

Fraternally,
