Re: All TWU International Staff Changes Effective November 18, 2008

Dear Sisters and Brothers:

Our TWU International Executive Council unanimously adopted the following changes in filling vacancies:

- Administrative Assistant to the International President, Michael Bakalo has vacated his position as International Administrative Vice President effective November 18, 2008.
- International Vice President, Assistant Director Transit, Utilities, University and Services Division Susan Resch will fill the position of Administrative Vice President marking a historic event for our organization in being the first woman to hold an International Executive position within the TWU organization.
- International Executive Council Member, Local 100 President Roger Toussaint was elevated from the International Executive Council to International Vice President.

Both of these individuals, Susan Resch and Roger Toussaint, bring diverse expertise and backgrounds to the overall organization. I look forward to their participation on the TWU Executive Council.

Sincerely and fraternally,

James C. Little
International President
