

Shuttle Launch

As a Guest of Local 525, we would like to extend an offer for TWU Members to witness and be present during any of the last 4 STS Space Shuttle Missions. This invitation is open to not only members, but TWU family members as well. As the end of this program grows near, the ability to view such an awesome sight fades as well.

When: Only (4) dates remain, but are subject to change

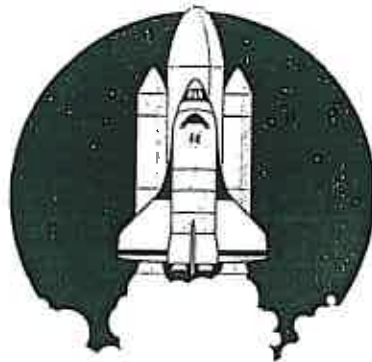

- STS 132- March 18th, 2010 @ 1:34 PM
- STS 133- May 14th, 2010 @ 2:28 PM
- STS 134- July 29th, 2010 @ 7:51 PM
- STS 135- Sept 16th, 2010 @ 11:57 PM

Where: Saturn IV / Banana Creek Viewing Site (the closest you could possibly view the launch from.) The general public (with Launch passes) will view this launch from nearly 5 miles further away than us.

If you are interested in attending any of these launches, please email me (Kevin Smith) at the following email address, TWU525@cfl.rr.com or contact me at the TWU Local 525 offices in Cocoa Beach.

Please remember, launch times and dates are subject to change at any time. Mechanical and Weather Scrubs happen often, so make plans accordingly.
