

The TWU Stores Negotiations Committee reconvened in Hurst, TX on September 23-24, 2010.

The Stores Committee met with ATD Director Garry Drummond and Attorney Mark Richards to assess our position since the memberships overwhelming rejection of the tentative agreement.

The Committee and the International are committed to developing a Strategic Plan to move forward into the next phase of negotiations. The Committee would like to thank Local 530 Stores Chairman Bill Ballard for his contributions to the committee. Due to the base closure at MCI, Bill is no longer on the committee.

We have scheduled a follow up internal meeting to continue developing our strategic plan for the week of October 11-15, 2010.

We would like to thank our members for their continued support and patience.

In Solidarity,

TWU Stores Negotiating Committee
