Eight hundred sixty (860) ballot packages were mailed, 14 additional ballots were requested by members and 495 ballots were returned by the membership to be counted before the deadline of December 15, 2011. Five ballots were voided (never opened or counted) due to the following reasons:

1 ballot was a duplicate /original returned only one counted. We counted the second ballot.
4 ballots were set aside because the members removed the labels from the outer envelope. We could not determine if these ballots were returned by eligible members.

The Election Committee will determine the balloting procedure for a revote for the Section Chair position in SJU. All interested persons will be advised when the process is finalized.
